

How to Suggest Changes for Your Company in Dealroom.co

What is Dealroom.co?

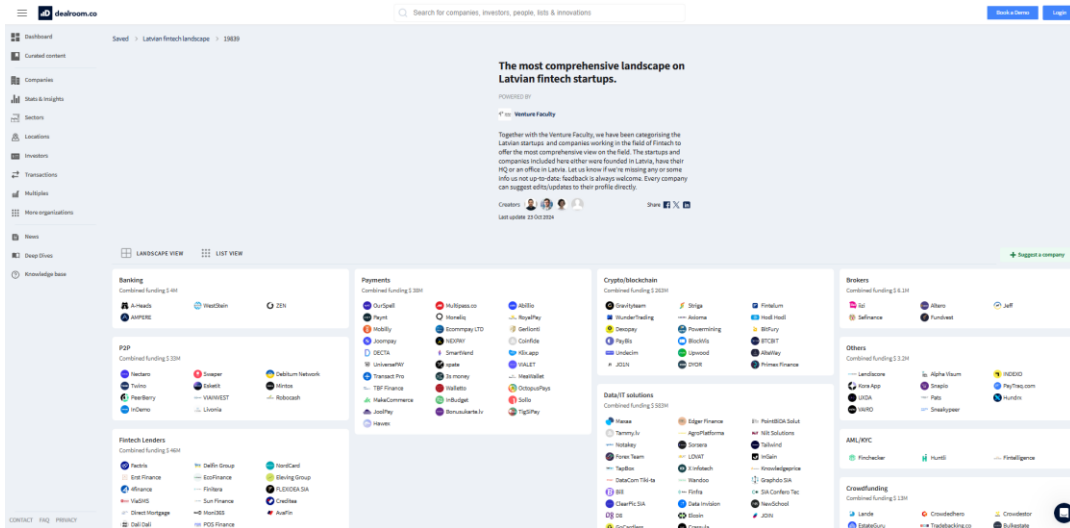

Dealroom.co is a global provider of data and intelligence on startups and tech ecosystems. Founded in Amsterdam in 2013, they work with many of the world's most prominent investors, entrepreneurs, and government organizations to provide transparency, analysis, and insights on venture capital activity.

Dealroom.co Database

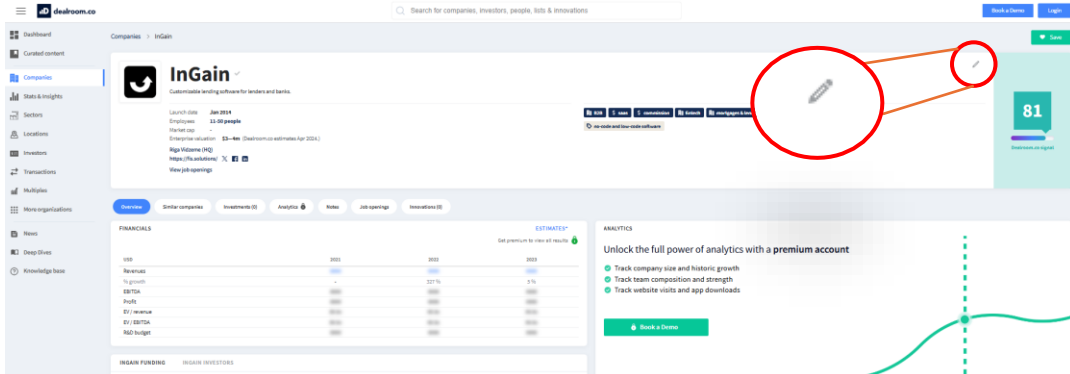

The large dataset on companies is gathered from multiple online sources, but some information may be outdated or inaccurate. That's why companies can register and log in to their profiles to provide up-to-date information about themselves.

How to do it?

Step 1: Go to [Dealroom's Latvian Fintech Landscape](#), locate your company, and click on it.

Step 2: Click the “pencil” icon in the upper right corner of your company’s profile.

Step 3: Leave your suggestions for your company, either anonymously or by registering/logging in to your company’s profile. Dealroom’s team will review and update the information accordingly.

Is InGain your company or are you currently working there?
